

Speakers Needed!

The Society maintains a list of members willing to speak to gardening groups on *Hostas* and/or *Hemerocallis*. There are an increasing number of enquiries from gardening groups for willing local speakers.

If you feel able to do this, would you please complete the form below. Should you wish to charge a fee and/or expenses this is entirely between yourself and the organiser of the gardening talk. If you are able to speak on subjects other than *Hostas* and *Hemerocallis* would you please list these as well.

The Society promotes the existence of this list, without giving individual names, on the Society's website and through our Newsletters. If requested we shall send out copies of the list of speakers. Completion of the form below confirms your agreement as required under the Data Protection Act, to the sending out of this list which will contain your name and contact details.

The Society does not have any slide collections or projection equipment, but we can supply Society Handouts and membership forms.

Please complete the form below and send it to the Hon. Secretary,
msturman@waitrose.com or 29 Southdown Road, Harpenden, Herts. AL5 1PF.
